

**RESOLUTION No. 929**  
**A RESOLUTION OF THE BOARD OF COMMISSIONERS FOR**  
**DECLARATION OF SURPLUS PROPERTY**

**WHEREAS**, as per RCW 54.16.180 Kittitas County PUD No. 1 is disposing of property that has become unserviceable, been upgraded, inadequate, or obsolete to be used in the operations of the system and which is no longer necessary, material to, or useful in such operations, to any person or public body; and

**WHEREAS**, Plant Assets are a portion of the District's Capital Assets and will be removed when upgraded or no longer fit to be used. When retired ahead of schedule, the original cost of the item is removed from both the asset and the accumulated depreciation account. Depreciation continues to be charged for the remaining items at the original rate. This defers any gain or loss until the entire group has been retired; and

**WHEREAS**, the District has removed 25 transformers from service which operations determined unfit to be used with a total average cost of \$14,316.92;

**WHEREAS**, the District determined that miscellaneous computer, office equipment and tools are unserviceable and shall be scrapped with an original cost of \$24,580.58; and

**WHEREAS**, the District was unable to locate 4 meters in 2015 and 2 meters in 2016 with a total average cost of \$1,527.48; and

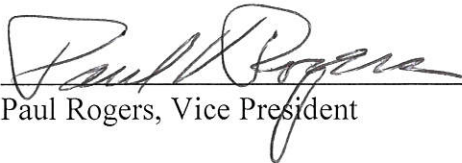

**WHEREAS**, the District determined 2 vehicles and miscellaneous computer, office and shop equipment are inadequate, need upgraded, become unserviceable and shall be offered for sale with an original cost of \$72,928.89; and

**NOW, THEREFORE, BE IT RESOLVED**, the Commissioners of Kittitas County PUD No. 1 declare the attached list of property to be surplus and request the General Manager dispose and offer for sale said items.

**IN WITNESS WHEREOF**, the undersigned, being all members of the Board of Commissioners of Kittitas County PUD No. 1, have executed this Resolution of the Board of Commissioners on this 31st day of January 2017.
