TERMS AND CONDITIONS

OFFICIAL FORM: This form and any required additional documentation, including proof of home ownership if requested, must be filled out completely, truthfully and accurately.

HOMEOWNER ELIGIBILITY: To be eligible for an In-Home Energy Audit, must be a Kittitas PUD customer, homeowner (provide proof if requested), and complete an application accompanied with appropriate fees.

ACCESS AND EVALUATION: Kittitas PUD and its representatives (HopeSource) will require access to the property on which the Energy Audit is to be performed. The Participant agrees to provide access to the property for the purposes described herein.

KITTITAS PUD PARTICIPATION: The total cost of the In-Home Energy Audits are Site Built - \$390 and Mobile Home - \$325. As part of this promotion Kittitas PUD will be splitting the cost of the audits with the applicant.

DISCLAIMER: Kittitas PUD is offering residential energy audits as a service to its electricity customers. Although home energy audits are designed to identify ways to save energy and money, the District does not guarantee its customers a lower electricity bill as a result of an audit.
