

PUBLIC UTILITY DISTRICT NO 1. OF KITTITAS COUNTY

Schedule 6001, 6002

Street and Yard Lighting Service

Availability:

This schedule covers dusk to dawn lighting for streets, roadways, parking areas, storage areas. The service includes installation by the District of high pressure sodium type lighting fixtures and accessories. Rates include rental charges on such fixtures and accessories, as well as the electricity used. Lamp replacements and other operational and maintenance work shall be made by the District. The District may restrict installation of lighting equipment to poles on which suitable space is available, and will install such equipment only where it will not interfere with other equipment. The District will install the fixture on the customer's correctly installed pole.

Monthly Rate: Installation of one or more lamps, either singly or in groups, on existing poles:

100 watts.....	\$10.85/mo/light (6001)
200 watts	\$13.40/mo/light (6002)

Minimum Charge:

The minimum monthly charge under this rate schedule shall be the monthly charge for the type of lamps and fixtures installed.

Terms of Payment:

Payable upon receipt. Bills unpaid after the due date will be charged interest at the rate of 1% monthly.

Effective Date:

This rate schedule shall become effective November January 21, 2012.
